150 years of 'Believing, Achieving, Serving'

Monday, March 23, 2020

Good Morning parents and guardians,

I hope that you, your families and loved ones are well, physically, spiritually and mentally during these times of such great uncertainty and concern.

Today begins a new normal for the foreseeable future. While staff begin training and planning to provide new modes of learning, please refer to the following websites assigned to students from our curriculum department and from the Ministry of Education. Please also read through the attached document from Mr. S. Lecce Minister of Education forwarded from our Director of Education.

1. <https://stvp.hwcdsb.ca/315545--K-12-School-Closure-Activities>
2. <https://stvp.hwcdsb.ca/315403--Ontario-helping-students-learn-from-the-safety-of-their-own-home>

I will continue to send updates and information via messenger and/or our school twitter

<https://twitter.com/stvpces>

<https://stvp.hwcdsb.ca/>

Lastly, please say hello to your children from me and from the entire STVP staff. I do have a surprise for them... 🗣️ I will be sending a 'voice message' either via email or through messenger (phone option) most likely this Wednesday where they will hear my voice and be asked to complete a special task this week!

## **BELIEVING BELONGING LEARNING – Our STVP SCHOOL MOTTO**

**Believing** and trusting in God that this will pass. We are one family **belonging** to a wonderful school community full of love. **Learning** never exhausts the mind. Learn something new each day!

Best regards,

Mr. R. Kasic
