

**Wednesday, March 25<sup>th</sup>, 2020**

**A message to the students from Mr. Kasic**

Good Morning boys and girls and welcome to Wednesday, March 25<sup>th</sup> 2020.

I know that things have changed for the time being. I believe in my heart that this will pass and things will improve and you will be able to attend school. I know that you miss your friends, your teachers and all of the fun things you do at school.

Staying home, proper handwashing and practicing good social distancing will protect you, me, our families, our grandparents and all of the wonderful people that help and protect us in our community.

Thank you for being wonderful students. Please continue to listen to your parents. Please help your parents around the house as many of them are working from home. For the older students, this is the perfect time for you to take on extra chores and duties around the house such as helping prepare a meal or learning how to wash clothes. Find something and be helpful at home.

Please log on to the website and do some distance learning. Make sure that you are learning something new each and every day. It is very important that we work and sharpen our minds and learn something new. In addition, make sure you exercise! Take a break from your electronic device or T.V. On our website, you will find the “*Daily 20*”– some great ideas to keep active while we have no school. Lastly, it is very important to pray daily. Asking God to watch over us. Please remember to do that daily, especially at bedtime.

**Remember our school motto: Believing, Belonging, Learning!**

**Believe:** Believe in yourself and in God as he will continue to guide you and give you courage.

**Belonging:** You belong to a wonderful family. You also belong to a caring and loving STVP family who cares and loves each of you very much.

**Learning:** Learning never exhausts the mind. Learn something new each day.

To keep our website and twitter active, I ask you to do the following if you wish...

*Explain to Mr. Kosic what your favourite activity is at home. Staff has been asked to do the same. You can send me a picture with a caption of your favourite activity or just something in writing. It can include just you, or you and your siblings, or you and your entire family.*

With your parents help, please email to [stvp@hwcdsb.ca](mailto:stvp@hwcdsb.ca) or Tweet it <https://twitter.com/stvpces>

*I hope to receive many entries.*

**Playing my guitar & violin - Walking by the lake - Participating in Mass virtually - Just me having fun at home 😊**
